

R.I.P.
Rest In Peace
Good Old Slaves
Thank You

It was kind of you
to build new york.
You try to very hard
to help our state.
Sorry that other people
used you as a slave.
It was unfair for
other people to rest.
But you have to
do the hard work
They always look at the
outside but not the
inside. But I think
you made us a great
future.
