

Travel Through Time With My Family Member and Me

CREATING A TIMELINE

SAMPLE TIMELINE

Planning Your Timeline

You will now plan your timeline of your family member. Please refer to the example above as a guide on how to design it. You can use the information from your interview to create your timeline. You can also include photographs of your family member.

Once you've roughed out your timeline below or downloaded the file entitled "Timeline.pdf," you can create it in the computer application available to you at your location. Please refer to the lesson on creating a timeline for further instruction.

SAMPLE TIMELINE

The form consists of a horizontal line with four vertical tick marks. Above each tick mark is a rectangular box for a date. Below each tick mark are five horizontal lines for writing a description of the event.
