

WEATHER FORECAST Research Worksheet

Researcher Names:

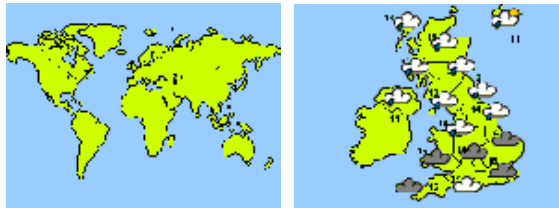

Date:

Task

Put your initials here when each task is finished.

1. Click on the [The Met Office's Weather Guide](#) link to open the page in your web browser.

You will see a page that has a map of the world on one side and a map of the UK and Ireland on the other side.

2. Click on the map of South America to open up this page, and click on one of the red dots toward the southern part of South America.

(DO NOT CHOOSE CARACAS, VENEZUELA BECAUSE IT IS IN THE NORTHERN HEMISPHERE!)

- Buenos Aires
- Caracas
- Lima
- Rio de Janeiro
- Santiago

Which country is the city you chose above in? (circle one)

Argentina Peru Brazil Chile

(HINT: if you click on the red dot on the map, the country should be listed)

3. Examine the 3-day forecast and use the key provided at the bottom of the page to describe what the weather is forecasted to be like:

Day 1:

Day 2:

Day 3:

Day 4:

Day 5:

Key questions to discuss with your partner:

1. What hemisphere is the UK in? _____
2. What hemisphere is the country you chose for this workshop in? _____
3. How is the climate different in these two places? _____

4. Why is the climate different? _____
