A Lot of Candy

Which candy should I buy?

My candy costs 7¢.

I need more pennies to buy my candy.

My candy costs less than a nickel.

Counting to 4 cents

1 + 1 + 1 + 1 = 4 (Unwana)

2 + 2 = 4 (Eliluz)

3 + 1 = 4 (Ramon)

I bought a chocolate bunny!

Counting to six cents

3 + 3 = 6 (Abudul)

5 + 1 = 6 (Isha)

**We enjoyed going to the
candy store!**

**We are writing about our visit to the
candy store.**

Enhancing our Presentation

Learning about money was fun.
